Letter of Reference

Jim Jordan – ReportBullying.com

To Whom It May Concern,

It is our pleasure to provide this letter of recommendation for Jim Jordan of ReportBullying.com. Jim delivered an engaging and informative anti-bullying presentation to students at the middle and elementary schools in Rockingham County Schools. His ability to connect with students, capture their attention, and communicate important messages about bullying prevention, respect, kindness, and personal responsibility made his presentation a valuable experience for our school community.

Jim brings enthusiasm, humor, and real-life examples to his presentations, making difficult topics approachable and meaningful for students of various ages. His interactive approach encourages students to reflect on their own behaviors, recognize the impact of bullying, and understand the importance of standing up for themselves and others. His message reinforces the values of inclusion, empathy, and creating a positive school environment where every student feels safe and respected.

The feedback from our 14 elementary schools and our four middle schools was extremely positive. Jim's professionalism, dedication, and ability to deliver a powerful message in a relatable way was appreciated. He truly is the consummate professional.

We would gladly recommend Jim Jordan and ReportBullying.com to other schools and school boards seeking an impactful anti-bullying presentation. His program is a valuable addition to school initiatives focused on bullying prevention, student well-being, and building a respectful and inclusive school culture.

Sincerely,

Dr. Cindy A. Corcoran,
